Dear Friends of Hannah, Our beloved Mom, Hannah Leiter Holland, passed away Friday April 6. She was struggling with her second pneumonia attack and it got the best of her. The three daughters were there to help and love on her for the week she spent at Forsyth Hospital. As you know, she was a very special lady and we will all miss her kind ways, quick wit, and happy smile. I've attached the obituary that appeared in the Winston Salem Journal newspaper on Saturday, April 7. Thanks for your friendship and love for Hannah through the years. Debbie, Dianne, and Bethanie

Though she fought a tremendous fight a special friend to many in the park lost her battle with cancer early yesterday morning at 1:30 a.m. **Mary Rose Carson** fought a long fight against the disease that ravaged her body and your prayers are asked for her husband Dave Carson and her family and friends who will miss her. If any additional information on memorials other than remembering Mary Rose with a donation to our Celebration Garden at Emerald Pointe is received it will be sent out to you. [BS](#)

Our neighbor W. G. (Scotty) Walls of 3509 Malachite Dr. passed away after a short illness. His son Mike Walls took his father to the doctor and then he was hospitalized a short time and moved to Hospice where he died. Jack Wilson will post the information regarding arrangements when he receives them and I will send another e-mail with the information.

Scotty was a long time resident in the park and Chuck and I noticed changes the past year or two when Scotty didn't fire up his big diesel truck weekly and take it out for a short run. He was a very quiet man and his death means more change on the street where his routine will be missed. [BS](#)

**Pat McKillip** has suffered a brain hemorrhage and is paralyzed on her left side. There has been some slight improvement in her condition but Ray said her road to recovery will be a long one. Please keep Pat, Ray and the family in your prayers and we will send updates as we have them. I do not have her address in the hospital so cards could be sent to their home in EP and Ray can take them up to her. She is at University Hospital on Fletcher Ave. in Tampa. [BS](#)

I was notified that **Cathy Kelley's** mother passed away this past Saturday. You are asked to keep Cathy and John and their family in your thoughts and prayers at this time. Many of us have been fortunate to have had parents live a long life, but that perhaps makes their passing more difficult as I know when I lost my mom in 2010 BS

Also continue to keep the many others in the park who are dealing with serious illnesses in their families. BS
